ABOUT SentrySafe®

“A USEFUL PRODUCT,
HONESTLY MADE AND
HONESTLY SOLD...
THAT IS GOOD BUSINESS.”

- John D. Brush,
Founder

As a world leader for over 80 years, SentrySafe has established itself as a respected security storage company in the industry. We are committed to delivering exceptional service and offer a complete line of innovative products, from small media fire chests up to large record cabinets, to suit all your business needs. Our total commitment makes it easy to do business with SentrySafe.

SentrySafe

LOOK FOR THESE ICONS TO DETERMINE WHICH SAFE IS RIGHT FOR YOU:

WATER

Water Protection. Many SentrySafe products have been tested by the independent testing firm ETL Semko to ensure protection from flood and other water damage.

FIRE

Fire Protection. Our products undergo rigorous fire testing from independent Underwriters Laboratory (UL) and depending on the model, have been rated for up to 2 full hours of fire protection.

SECURITY

Security. SentrySafe offers several options for keeping business documents, deposits, and other materials secure. Look for security features such as pry-resistant hinge bars, 60% larger bolts, Medeco® security locks, bolt-down hardware, and more to keep your vital information protected.

FEATURES THAT KEEP YOUR BUSINESS SAFE:

EXPLOSION

Explosion. Many SentrySafe files and safes are classified to pass a UL Explosion Hazard Test. The test ensures products will not explode when subjected to the extreme temperature of 2000°F (1093°C) for 20 minutes.

IMPACT

Impact Testing. During a fire, a safe may fall several stories. Keep vital business documents protected by choosing a safe that has undergone third party verified impact testing.

DIGITAL MEDIA

Digital Media Protection. SentrySafe Fire-Safe® products are verified to protect CDs, DVDs, Memory Sticks and USB drives—so important documents are protected from fire damage whether they are stored digitally or as a hard copy.

WATER SPRAY

Water Spray. Many offices are equipped with sprinklers in case of a fire. Make sure your Fire-Safe files are protected from fire and water spray.

THE GUARDIAN™ STORAGE BOX

Choose the Storage Box that offers you more.

Choose Guardian.

NEW!

- ETL Verified fire and water protection
- Designed to hold both letter and legal size paper
- Stack up to 3 high for convenient storage in limited space
- Latches secure lid in place to keep valuables safe from environmental damage

Traditional cardboard file boxes leave you vulnerable to fire and flood.

FIRE-SAFE® SAFES

SFW123GDC WATER-RESISTANT FIRE SAFE
The SentrySafe Electronic Safe is designed to protect documents, digital media and other valuables from fire, water and theft. 60% bigger bolts than traditional safes and a pry-resistant hinge bar provide additional security against unauthorized access.

EF3428E COMMERCIAL FIRE SAFE
The SentrySafe EF3428E Fire-Safe has a suite of features that is sure to keep your important documents and valuables safe. Fire protection, water resistance and a programmable electronic lock provide reliable protection while organization features and carpeting keep contents damage-free during storage.

ACCESSORIES:

All products are priced without accessory equipment, unless so stated. To obtain a total cost of product, add desired accessory cost(s) to price of product. Please specify by model number and quantity where they are to be installed.

DELIVERY SERVICES:

Delivery service are available anywhere withing the 48 contiguous states.
All deliveries are Monday through Friday, 8 AM - 5 PM, "DOCK-TO-DOCK."

Special delivery services and delivery to locations outside the 48 contiguous states are available for an additional charge. Ask the SentrySafe representative for specific information when placing order.

Please note, failure to provide correct delivery information at the time of order will result in additional cost.

FREIGHT DAMAGE AND DISCREPANCY:

Merchanidise should be fully inspected upon receipt for evidence of damage or shortage before signing the delivery receipt. If damage or shortage is evident, it must be noted on the delivery receipt.

If external appearance does not indicate damage, but damage is discovered upon unpacking:

1) Save all packing materials.
2) Report concealed damagle whithin 7 days of delivery.
   a) For prepaid shipments, contact SentrySafe Consumer Affairs Department immediately. If product has been moved from point of delivery SentrySafe will not be responsible for any damage.
   b) For collect shipments, contact your carrier immediately to request inspection and reimbursement.

SenrySafe is not responsible for reimbursement when delivery receipts are signed clear of damage/discrepancy, or when concealed damage is reported after 7 days.

REQUEST FOR RETURN MERCHANDISE:

SentrySafe assumes no obligation to accept the return or provide credit for any unit damaged during installation unless installers are agents of SentrySafe.

SentrySafe assumes no obligation to accept the return or provide credit for merchandise which conforms to product specification within the warranty period. In the event that the merchandise does not conform, is defective, or if there are special circumstances which would reasonably require the return of merchandise, the dealer who ordered the merchandise must obtairn return authorization by calling Order Entry for return authorization.

Return shipments will not be accepted or credited without a return authorization number. Returns will be subject to charges which may include the following:

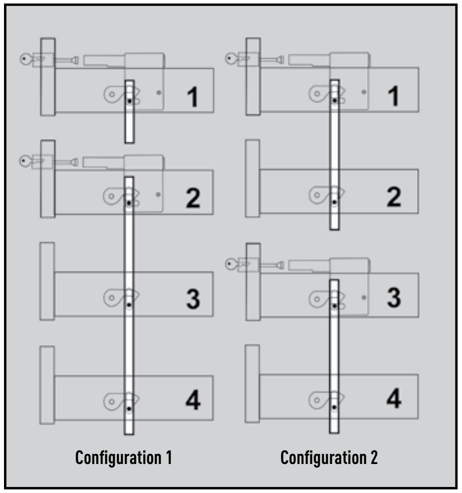

1) Transportation Costs
2) Handling Charges
3) Refurbishing Costs
4) Restocking Fees

Return shipments must be properly packaged to prevent shipping damage. Any items returned with freight damage due to improper packaging will not be allowed for credit. Shipping costs for non-defective returns are the returnee's responsibility. SentrySafe will not accept return of specially made, factory-modified or discontinued products unless found to be defective and so reported within 30 days after receipt of merchandise. SentrySafe will not accept return of non-warranty product.

SentrySafe Warranty: Details of these warranties are available at www.sentrysafe.com

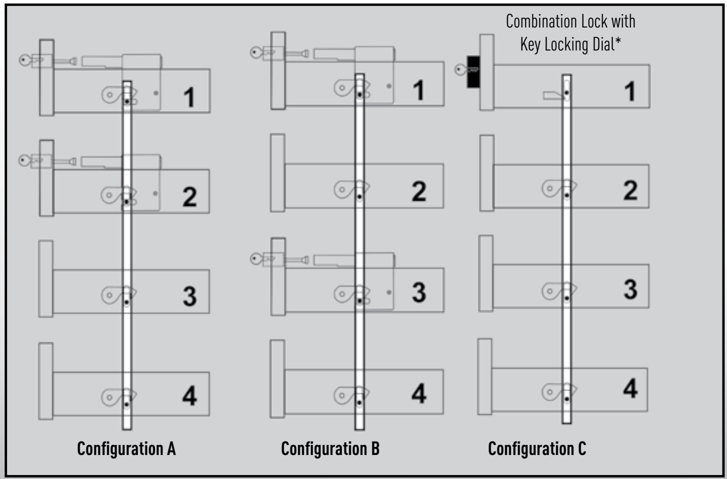

Changes: SentrySafe reserves the right to make changes at any time in regard to price, product specifications, stocking location and design without notice.
